EVERY GENTLEMAN OF WEALTH AND REFINED TASTE should have in his drawing room some of our exquisite views on glass, with a revolving stereoscope, showing 12, 25, 50 or 100 scenes. Nothing can be more fas inating, and one can offer no greater treat to a friend fond of the picturesque and the beautifui. Anthony's Instantaneous Stereoscope Views are the latest Phe Tographic wonder. They are taken in the fortieth part of a second, and everything no malter how rapidly if may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of inanimate nature it adds the charm of life and motion. The process is a discovery of our own, and being unknown in Europe, e we receive from London and Paris large orders for Anthony's Instantaneous Views of American life and scenery.

Among other things we have just published Stereoscope Illustrations of the Scene of the Futron Street Prayers Meetings, in which many hearts feel an interest. The particulars of this will be found in our catalogue.

OUR CATALOGUE of subjects and prices will be forwarded to any address on receipt of a stamp. Parties at a distance sending us \$3. \$5, \$10, \$15 \$20, or \$25 can have a good instrument and such
